

CITY GETS \$28,306 AS STATE APPORTIONMENT

GRANGE MEMBERS HEAR AUTHOR DISCUSS TEACHING IN ALASKA

Featured speaker of the regular meeting of Orchard Grange, Tuesday, was Miss Mary Winchell, author of "Home by the Bering Sea," who spoke on school teaching in the Aleutian Islands, Alaska, where she has been connected with Methodist missionary work for the past twelve years. George Shattuck, Grange master, presided at Tuesday's meeting after recovery from a recent illness.

Business matters discussed included a resolution to pay \$15 to Campbell City Council for application to use the Grange lot for parking.

The local Grange discussed heatedly the burning of Grange trees by the Southern Pacific Railroad, whose weed-burning crews have damaged the roots of the trees. Efforts are being made, according to Grange members to protest to supervisors, ways and means to combat such damage.

This is the third year in a row, members report, that damage has been done in spite of efforts of Grangers to protect trees.

Pomona Grange home economics group will operate a strawberry booth at the County Fair. Campbell Grange has been invited to share a fourth of July picnic with the Almaden Grange, at Metasci Ranch of Almaden. People will bring their own table service. Almaden will furnish prizes for contests.

This Sunday, June 29, at 1:30 p.m., a memorial service will be conducted at Santa Clara City cemetery for a long-time grange member E. T. Pettit who died recently.

Refreshments were served at the last meeting under the direction of committee members Mrs. Nelson Cowdery, Mr. Norman LaVeque, and Miss Helen Givens.

KIWANIS GET WORD ON EMPLOYMENT

Mr. Dudley Cameron representative of the California Department of Employment, spoke to the Campbell Kiwanis Club at their regular Tuesday meeting on the legislative and structural setup of the department.

Cameron covered in detail the unemployment section of the department whereby unemployment checks are mailed to eligible recipients. He also outlined the employment service in which suitable jobs are found for qualified unemployed. A third section of the department outlined insurance program which investigates and remunerates workers unemployed due to accidents received at their work.

The program was under the chairmanship of Gil Krug. Next week's program, according to the president, Laurance J. Hill, will include a musical program for the membership.

Laurance Hill and Fred Jones will give a report on recent activities of the State Convention held in Sacramento recently.

VFW MEMBERS IN SAN DIEGO FOR CONVENTION

Campbell auxiliary VFW took first place award in veterans' hospital work at the annual convention held in San Diego last week.

Fay Ellis, hospital chairman of VFW auxiliary, received the gold seal citation at a presentation ceremony in Balboa Park, San Diego. The citation was for the greatest amount of work done of all veteran auxiliary posts in California hospitals.

Campbell members who attended the convention were: Charles Chubb, Ona Chubb, Ralph Jones, Adaline Gagliasso, Ethelyn Gagliasso, Tom Hage and Alyce Keyes.

POCKETS RIFLED AT GYM

Mr. C. M. Clever, 610 Kenneth Avenue, and other men, had their pockets rifled while taking advantage of the Campbell Union High school area recreation program at the Campbell swimming pool last week.

KIWANIS, ROTARY CROSS BATS AT GRAMMAR TURF

The epic athletic contest of the year, according to local Kiwanis and Rotary members, will be played tonight at 6:30 on the newly-turfed Grammar School diamond, when the two local civic organizations will cross bats for the third annual contest.

As before, the losing team will buy dinners for all members of the victorious team. In 1950 the "Comedy of Errors" ended in a 16-16 tie. Last year Rotarians hobbled away with a 15-3 victory.

According to a Rotary spokesman, Kiwanis members have been holding secret practice sessions this year, but Rotary members say they have no fear and are highly confident they will again leave the field victorious.

The lineup:

Rotary: Homer (Dynamic) Hyde, Tony (Flash) Raffanti, Leonard (Sluggo) Baptist, Fred (Whippet) Jones, Merv (Babe Ruth) Willoughby, Bill (Glue-fingers) Maderis, Cel (Dead-arm) Gerevas, Doc (Tuffy) Arends, Doble (Kid) Jeffers, Jaz (Sees-all) Jasmine, Frank (Speedy) Accardi.

Kiwanis: Clarence (Slew-foot) Nelson, Milt (Slide) Nelson, Lloyd (Homer) Nelson, Bud (Paddle-foot) Levenberg, Gil (Stretch) Krug, Herb (Flip) Neale, Norm (Snag) Corvello, Art (Play-ball) Mayo, Carl (Blooper) Field, Dave (Net) Sanders, Jim (Basket) Arends.

Truck Tire Rim, Ray Bond Tangle; Jaw, Foot Broken

They say lightning never strikes twice in the same place, but Ray Bond, 53 Charnier Avenue, while working at Jones' Service Station, 1 So. Winchester Road, had his jaw and foot broken while repairing a truck tire last Wednesday.

A year ago, the same thing happened while on the same type job, except that it was his arm that time.

His latest injury happened at 5 p.m. Wednesday, when a truck tire rim let go. Fred Jones Jr. called an ambulance and Bond was taken to O'Connor Hospital, Doctor J. Frederic Snyder attended.

Bond is coming along fine, his friends report, and is standing by for an operation tomorrow.

FIREMEN ARE AVAILABLE FOR LOT BURNING

Campbell Volunteer Fire Department reminds that in this period of dry weather, there is a distinct fire hazard and that persons living in the Campbell Fire district who have lots to burn may contact the Campbell Fire Department to set a date for burning.

Since the department is operated on a volunteer basis, donations are accepted for the treasury fund of the department. Information may be obtained by calling Campbell 2600.

Evening Sports Are Available At CUHS Gym

Basketball, touch football, baseball leagues and tumbling and wrestling are other features of the Campbell Union high school summer program.

Monday and Wednesday evenings at the high school are devoted to A and B league basketball games. There are touch football games every Monday evening, Tuesdays and Thursdays are devoted to baseball while on Friday evenings the grunt and groaners take over the high school gym.

PASSING THE BUCK . . . All \$28,306 of them, is City Clerk, Mrs. Viola Krug. Holding up his end is City Treasurer E. C. Merrill. Check is Campbell apportionment of State Gas Tax "in lieu" funds received last Friday. Money is tentatively slated for City debts incurred since incorporation and to get Campbell fire hydrant program under way. —Photo by Mal Vaughan

MAYOR MORTON TO START BALL SEASON MONDAY

Distinguished guests at the start of Campbell Union High school area recreation softball season Monday night at the grammar school will be Campbell Mayor Richard W. Morton, who will start activities by throwing out the first ball.

Other visitors who will be introduced to local residents attending the games will be the summer school recreation committee, Laurance J. Hill, chairman of the commission; Mrs. Virginia Lagiss, secretary; William C. Henley, Ralph O. Salmon and Kenneth McDonnell. Junior Morgan, athletic instructor at Campbell High school is in charge of the summer softball program.

Thieves Take Specimen Plants From Nursery

Thieves made off with specimen plants valued at \$45 from the nursery home of Ernest Pohlhammer, 108 S. Union Avenue, last Thursday, but left plain foot and tire prints on the property.

Pohlhammer says the plants taken were the only kind available in the area, and that he would recognize them if he ever saw them again.

Specimens stolen included two white geraniums in half nail kegs, one white geranium in a gallon Quaker oil can, two standard geraniums in nail kegs, one star Jasmine 8" tall in a pot, one chiffon daisy in a gallon can, six marigolds in quart oil cans, one labelia in a quart oil can, four large ivy in 4" pots, and several Marguerites.

CAR HITS POLE; 17-YEAR-OLD GETS SKINNED NOSE

Jeanette Handley, 17, 33 Bruce street, Los Gatos, apparently lost control of the automobile she was driving Tuesday afternoon about 3 p.m. at Sunnyoaks Road and Winchester avenue in Campbell.

When the highway patrol arrived on the scene they found the automobile a total wreck; a telephone pole had been snapped off at the base and was lying approximately 16 feet away.

Miss Handley was thrown clear of the car, they said; and, according to the County Hospital where she was taken by Place Ambulance of Los Gatos, the extent of her injuries was (non-technically) listed as a skinned nose and forehead.

She was later transferred to Doctor's Hospital in San Jose.

CUHS POOL SETS NEW SWIM HOURS

Over 4800 Campbell area children took advantage of Campbell High school recreational and swimming instruction periods at the high school pool during the past week, according to Bill Perry, pool manager.

Evening recreation swimming for adults has not been so well attended, due to the weather. Pool officials have announced that beginning Monday the pool will be open for recreational swimming between the hours of 7 p.m. to 9 p.m. instead of from 6 p.m. to 8 p.m. and then only if the weather permits.

Pool openings will be determined by one o'clock in the afternoon. To find out if the pool will be open on a certain evening, call the pool between 1 p.m. and 5 p.m.

In addition, Perry said, there will be a large sign posted outside the pool indicating whether the pool will be open that night or not.

Pool officials have announced that there are a few openings in the second instructional period which starts Monday, July 30, and a few in other periods. The said session is wide open, they said.

LEGION MEN INSTALL NEW OFFICERS

Campbell Post 596, American Legion, at installation ceremonies last night at the IOOF Hall, installed newly elected officers of Campbell Post. Installation was conducted by the 40 et 8 Ritual Team of Voiture 365.

New officers are: Z. D. Tennison, commander; Jack Chappell, first vice-commander; Rex Kaber, finance officer; Dave Ribble, chaplain; David Bucholz, sergeant-at-arms; Frank Burda, assistant sergeant-at-arms, and an executive committee consisting of Harry Knoke, Herbert Myring and Jim Hendricks.

ROTARY SEES FILM ON BIG GAME HUNTING

Dr. Ed Cameron entertained Rotary members at their last meeting with a film on big game hunting in the Fraser River valley in Canada.

The film, which showed impressive shots of the rugged mountain scenery in the area, depicted the hunting of black and grizzly bear and hunting methods used in trailing the Rocky Mountain goat.

Frank Accardi was chairman of the day. Next week's meeting is under the chairmanship of Tony Raffanti.

CITY ATTORNEY TO REPORT ON USE OF FUNDS AT NEXT COUNCIL MEET; FIRE HYDRANT PROGRAM PLANNED

City Council Monday night discussed ways and means of spending \$28,306.78, Campbell's apportionment of State Motor Vehicle "In lieu" tax funds received last Friday.

Part of the money, which may be used only for State-defined purposes, will be tabbed for payment of debts incurred since incorporation, a complete list of which is to be submitted by City Clerk Mrs. Viola Krug at next meeting.

FAMILY AUTO STOLEN FROM CARL FIELD

Carl Field, of Field's store, E. Campbell Avenue, whose car was stolen from in front of his North Second street home, Sunday evening, received a telephone call yesterday from a resident of Sunol, who discovered the car abandoned in a vacant lot.

The unidentified caller, who apparently located Field from the registration slip in the automobile, said the car was apparently undamaged except for what appeared to be bullet holes in the back.

Field reported the theft to the Highway Patrol Sunday evening, who, after conducting a search, found the Field white slip in East San Jose, but no trace of the automobile.

Field was not at home when the car was stolen, but says his wife heard what sounded like his car drive off at approximately 9:30.

Although the keys were left in the Field auto, the familiar sound of the motor was dismissed, because their neighbors own two 1951 Chevrolets, the same make as the Field car.

FINAL EFFORT MADE TO SAVE BUTANO FOREST

A final effort to save Butano forest for a public recreation area, which was outlined for Campbell Kiwanis Club at a recent meeting, was made at a meeting in Burlingame this week.

Santa Clara County officials were among delegates from Northern California who sought to gain an extension of the time from the July 1 deadline set by the State Park Commission for purchase of the land from Pacific Lumber Co.

The 1040 acres of virgin timberland is located in San Mateo and Santa Cruz counties just north of Big Basin. It is said to be the last section in the state suitable for acquisition as a public playground. Groves of redwood trees cover the area.

Junior C of C Installs Officers At Local Inn

Campbell Junior Chamber of Commerce installation ceremonies for new officers was held last Saturday at Red Coach Inn. Charles Livingston received the gavel and president's pin from Charles Elsnier. The new officers are as follows:

Charles Livingston, president; Orrin Accardi, vice-president; Ed Lazzarini, secretary-treasurer.

Bob McBain was installed as keeper of the Chamber and Charles Elsnier was installed as State Director.

PLANT LOOTED

Thieves looted Goodwill Industries plant at 44 North Market street, San Jose, Sunday night, taking a cash box containing \$80.

According to the police, entry was gained from a skylight on the roof after thieves had climbed a nearby tree.

ENTERTAINS AUXILIARY

Mrs. L. C. FAIRCHILD, Second street, entertained members of the American Legion Auxiliary last Monday, at her home.

It was indicated that some money will be used to implement the city fire program which, according to Fire Chief Jack B. Scott, will include the installation of nine new hydrants to supply city area not covered by the old fire district. Council agreed to enter in the hydrant program on receipt of letters from Campbell water company and San Jose Water company.

Homer H. Hyde, representing Campbell Water Co., said that in areas served by the local company, they would install and maintain hydrants on a \$2.50 monthly rental basis. Under this setup, the city would purchase the hydrants for \$676.40.

Hydrants secured through San Jose Water Works in areas served by that utility's mains will be paid for at a monthly charge of \$3.25. Under this rate, the San Jose company owns the hydrants as well as maintaining them and providing water.

Mayor Richard W. Morton mentioned that Campbell's petition to dissolve the old fire district, presented to the County board of supervisors last week, had been accepted and referred to the County Council.

After considerable discussion on curbs, sidewalks, gutters and parkways, the City Council approved a tentative subdivision map of the Kuehn Estates at Hamilton Avenue and San Jose-Los Gatos Highway subject to posting bond not to exceed 100 percent of total cost of improvements excluding sewerage and water but including street lighting, fire hydrant easements and compliance with sidewalk, curb and gutter requirements.

Mayor Morton and councilmen were concerned over failure of the scavenger companies in submitting contracts to handle city disposal.

City clerk was directed to contact companies in the immediate area advising them to submit contracts before next meeting Monday night.

Companies to be contacted include scavenger concerns from Los Gatos, Morgan Hill, San Jose and Los Altos. Campbell garbage ordinance goes into effect July 2.

The council also:

Set July 7 as the date of hearing on petition of Harry Weisend for Campbell Auto Wreckers for a commercial burning permit at 126 Dillon Ave, on east side of Los Gatos creek bed.

Denied a petition to sell safe and sane firecrackers on Keesling property, San Jose-Los Gatos Highway and Hamilton Avenue to James DeBar, 33 South 13th St., San Jose, and partner Charles Gordon, because it would create a new use on property on which fruits are now sold. Permit may be granted if the Keeslings make application to Chief Scott with a letter addressed to City Council recording the Keeslings as operators of the stand.

Directed City Engineer Mark Thomas to report on local dam situation called to the city's attention by a resolution prepared by Orchard City Grange.

Referred to city attorney for future report a suggestion by Ernest Keesling, 181 Hobson Street, that the City of Campbell set up an invisible barrier by strip annexation to prevent further encroachment of City of San Jose.

FOREIGN AID STILL NEEDED
American economic aid to foreign countries since the end of World War II exceeds \$26 billion. Despite this aid, most of the recipient countries still urge further economic assistance. We have called upon them to join in building the most formidable military force in history to head off further Communist expansion. This is creating additional serious problems for them. In most countries their own firmly established policies and deeply rooted customs hinder competition and stand in the way of a satisfactory solution of their internal production problems. Among these are cartels, exchange controls, bilateral trade agreements, and restrictive tax and fiscal policies.

KRUG MEMORIAL CHAPEL

WE MUST FOSTER SELF-HELP. We are now faced with a decision of far-reaching importance. Shall we continue to liberally supplement the resources of these countries while old customs and trade practices are permitted to hamper their own productivity? Or shall we plainly state that our further aid, above a minimum level will be in proportion to their own determined effort to strengthen their economies, to foster increased trading, and to expand productivity?

Local Musicians Assured Band Posts In Army

Recent local high school graduates who play musical instruments may enlist in the U. S. Army and be assured of direct assignment to the Fort Mason Band, located in San Francisco, according to M-Sgt. Arthur Sullivan, local Army Recruiter.

Following basic training, band assignments are guaranteed, Sullivan said. Applications are accepted on a first come, first served basis, and interested persons should apply immediately as the band limits the number of assigned musicians, he said.

Sullivan said that arrangements for auditions may be made at the Army and Air Force Recruiting Station, located in Room 203, Post-office Building, San Jose.

There is a limit to the aid that we can give. We are obliged to keep ourselves strong enough to weather the economic storms in which the Communists would like us to founder. A strong United States today is the most effective barrier against further Communist aggression.

Of almost equal importance is the knowledge that we shall not have been guilty of misdirected generosity which relieves any country of its own responsibility to do the best it can to provide for itself. The weakening effect on nations of overgenerosity is much the same as on individuals.

Abraham Lincoln phrased it thus: "You cannot help men permanently by doing for them what they could and should do for themselves."

Your job is the all important thing. Do it right and success will be a by-product.

Community Club Plans Regular Swimming Parties

Twenty-three members of the Campbell Community Club held a guest day luncheon at the Old Pioneer Hotel at Woodside recently. After the luncheon, members toured Allied Arts in Menlo Park.

Club plans call for July initiation ceremonies to be decided at a meeting to be held this week.

After an enjoyable outing at Santa Cruz last Thursday with members and children participating in swimming and games, the club plans to make it a regular Thursday event.

Two club member parents, Mrs. George Kemp and Mrs. Hector Davies report their recent family additions are doing nicely.

THE CHRYSLER NEW YORKER 6-PASSENGER SEDAN
White side-wall tires at extra cost

WHEN YOU TRY POWER STEERING... HERE'S WHERE TO COME FIRST!

You've heard about it and read about it. Now, if you haven't felt what Power Steering does for you, we invite you to try it first in a Chrysler New Yorker . . . where you will find full-time (not partial) Power Steering!

What happens is this . . .

You handle the steering wheel in normal fashion. But 4/5 of all the work is done for you by hydraulic power, constantly at your command. Also, you turn the wheel 1/3 less distance now for every maneuver . . . the feeling you get of utter control is as wonderful as it is new.

Even at a standstill you can turn the wheel easily. Now, parking is shorn of its troubles (and fatigue!) . . . and you can negotiate traffic, awkward drives, and garage doors precisely and with ease.

You can double the longest day's drive you've

ever known . . . end up free from arm and shoulder strain. Rough roads, soft shoulders, snow, mud? . . . the power that helps you steer now prevents the car's wheels from "steering back" at you. The course you set is held, at any speed, till you want it changed. Yet, with this 5-times greater control, "wheel feel" is always the same.

Why not come try it? Learn for yourself why growing thousands of motorists say they'll never be without Full-time Power Steering from now on. Drive a Chrysler . . . and Learn the Difference!

WHOLESALE MURDER

Crimes in Campbell have been few, but in 1896, the community was shocked by the news of the murder by James Dunham of the whole McGlincey family, including the cook and hired man. The murderer escaped into the hills about Mt. Hamilton, where his horse was found, but the man was never located.

Campbell Order Of Eastern Star Honors Flag And Guest Officers

Campbell Chapter, Order of the Eastern Star No. 553, met for a regular meeting Friday, June 20. Cora Kaufmann served as Worthy Matron and Wilbur Mitchell served as Worthy Patron in the absence of the regular Matron and Patron, Mr. and Mrs. Earl Buck.

A vacation theme was cleverly portrayed in the chapter room. The chairman for the evening, Mrs. Carl Stearns, made a unique arrangement of a sand pail filled with luscious Bing cherries and green foliage scattered throughout the cherries. This effective arrangement was carried to the East by Acting Worthy Matron Cora Kaufmann. An expression of gratitude was given to the chairman, and splendid committee responsible for the successful evening. The matron also thanked each guest officer personally for filling the vacation vacancies.

Guest officers were Mr. E. W. Ostrup, Past Patron of Miramonte Chapter, Mountain View, as acting organizer; Virginia Currie, Past Matron of Campbell chapter, acting Associate Matron; Marie Suess, Past Matron of Campbell chapter, as prompter; George Jeffers, Past Patron of Campbell chapter as Associate Patron and Bobbie Schaper as Ruth, star point station.

Presiding patron Wilbur Mitchell called on first time visitors.

Ada P. Jay, who served the Grand Chapter of Iowa as Martha in 1933, gave a brief, impressive talk. Other visitors were Nita Sherlock, Los Gatos; Audrey Jones Starlight, San Jose; Marilyn Dobson, Fraternity, San Jose; Mr. and Mrs. Eugene Harvey, Fraternity, San Jose; Bernice Foreman, Raisina Fresno, and Mr. and Mrs. Harold Dachow, of Laurel, San Mateo.

Flag Bearer, Mr. Joseph Agostinho, gave a very inspirational tribute to our great American flag. The chapter was deeply moved by the well-chosen words and thought expressed by the tribute. This was the first time such a talk had ever been given and was heartily accepted.

Dining room was set as a park picnic scene and each guest had his own lunch of fancy sandwiches wrapped in a colored paper napkin tied with a colored ribbon. Fresh fruit and platters of fancy sandwiches were placed abundantly on the tables. Home-made cookies and hot coffee completed the refreshments.

Committee consisted of Mrs. Carl Stearns, chairman; Mr. Carl Stearns, Mr. and Mrs. Fred Johnson, Phoebe Davis, Hancey Naylor, Mrs. Claude Barham, Mr. Donald Hartman, Mrs. George Jeffers, Mrs. Grace Strickler, Mrs. E. Parker and Mrs. Thomas Daugherty. Deana Stearns danced two very graceful Hawaiian hulas, "Lovely Hula Hands," and "Song of Old Hawaii."

If you would be a great leader, learn, first to be a great follower.

Mrs. Clara Baldwin and Mrs. Julius Bachman read original poems honoring past noble grands. Each honored guest was presented with a miniature parasol made from a handkerchief and pleasant ly scented.

The meeting also included an amateur night which included selection from the Jazz Kitchen Band, and a mock business meeting conducted by Lodge officers. Mrs. Clara Baldwin was awarded a box of homemade candy for the best act in the amateur show.

Assisting Chairman Wyse were the following ladies: Mesdames John Black, Joe Fryar, Joe Meckler, Harley Poore, Glenn Curtis, John Zamira, Andrew Olson and W. A. Sisemore.

A buffet luncheon of sandwiches, potato chips, pickles and coffee was served.

The next meeting will be installation of new officers July 1, 8 p.m. at IOOF Hall.

Mrs. Robert Crawley will be the new noble grand. Miss Roselle Wyse will be the new vice grand. Mrs. Herman Y. Rice will be installed as trustee for another term.

CUHS PROGRAM SETS SPECIAL EVENTS FRIDAY

Campbell Union High school Area Recreation program has scheduled special events for tomorrow. At Campbell Elementary school playground there will be a pet show starting at 9 a.m. At San Tomas there will be a splash party under the sprinklers. Union school plans a nature week with a trip to Alum Rock Park on tomorrow's agenda.

Emphasis for the past week was on getting acquainted with leaders facilities and program. Badges of identification were worn by the children at most of the centers. Schedules of activities and announcements of events were posted.

Barbara Braun and Barbara Patrick, leaders and children at Cambrian School held a "Party Day" on Friday. Special music, games and ice cream were the highlights of the day's activities.

Attendance at the seven elementary school recreation programs within the Campbell Union High school district was most gratifying during the first week, according to Elwood Mitchell, overall program director.

The programs of games, crafts, music and similar activities were well received by the children and in most instances the attendance on Thursday and Friday was better than on Monday and Tuesday.
